

Good morning! How are you? Vas kaj zebe, brrrr? ☺

Danes nadaljujemo in zaključujemo z vajami v delovnem zvezku na podlagi zgodbice.

Kaj vidiš na sličicah naloge 12 na str. 23 v delovnem zvezku? Že uganeš, kaj bi se lahko dogajalo? Poslušaj posnetek (vsaj dvakrat). Si razumel slišano? O čem govori?

Lahko preveriš, če si vse razumel z besedilom, ki ga prilagam:

🎧 **12 p23 Exercises 6 and 7**

Dan You're listening to KWPX, the best radio station in town. In today's news – something very strange is happening in town. Our reporter Lisa Lane is there. Lisa, what can you tell us?

Lisa Well Dan, I'm standing in front of the chemist's and I'm looking up at a dragon – that's right, a *real* dragon – in the sky.

Dan A dragon? Wow! Are there any other strange animals in town?

Lisa Yes, there's a giant gorilla!

Dan What does it look like, Lisa?

Lisa It's big and hairy, Dan – it's a *giant gorilla*! It's at the museum. It's climbing up the building. It's standing on the roof!

Dan Is that scary sound the gorilla, Lisa?

Lisa No, Dan! There are other strange animals. That sound is a dinosaur.

Dan Run, Lisa!

Lisa It's OK, Dan. I'm hiding behind a car. I think the dinosaur is going to the butcher's.

Dan It can probably smell the meat, Lisa. It's hungry!

Lisa No, wait! It isn't going to the butcher's. It's going to the takeaway. It can smell the pizzas! It wants to eat them!

Dan What's happening now, Lisa?

Lisa The dinosaur is looking at the gorilla. This isn't good... I think they're going to fight.

Dan Oh no...

Lisa Wait! They're gone! No dinosaur, no gorilla, no dragon in the sky. I...I don't understand. Back to you in the studio, Dan.

Dan Thanks, Lisa. And now, today's weather.

Že veš, kam se obrnit, če kakšne besede ne razumeš? ☺

Tako. Sedaj razumeš besedilo in lahko rešiš nalogo 6 in 7 na str. 23 v delovnem zvezku.

Prav tako rešiš nalogo 8.

Da ne pozabimo na zaimke, jih s to spletno vajo utrdimo:
