

Današnja naloga bo namenjena vaji pisanja in govorjenja. Izberi si **eno** izmed spodnjih treh nalog (delaj po vzoru teksta Avstralije v učbeniku str. 43). Zapis naj ne bo daljši od ene strani. Upoštevaj in vključi vse zahtevanje alineje. Ko tekst zapišeš (lahko v zvezek, lahko v word) ga večkrat glasno preberi, tako da ti bo šlo gladko.

V četrtek se ob 12. uri dobimo v spletni učilnici

<https://meet.jit.si/TanjaR> kjer boste vaše naloge predstavili. Za spletno učilnico ne potrebujete nobenega maila, gesla ali uporabniškega imena. Enostavno ob 12. uri samo kliknete na povezavo. Kdor ne more preko računalnika, lahko to opravi tudi preko telefona – v tem primeru si moraš samo prenesti **jitsi meet** aplikacijo. To je vse.

Kdor ob tej uri zaradi opravičljivih razlogov ne more biti prisoten, se naj prosim posname in mi posnetek pošlje na zugeljtanja@gmail.com

Prisotnost ali poslan posnetek sta obvezna!

See you soon! 😊

WRITING 1

Read the text about Australia on page 43 in the Student's Book. Write a similar description about Slovenia or another country. Include the following information:

- statistics about size and population
- language and currency
- name of the capital city
- why you think this country could be interesting to foreign visitors.

WRITING 2

Read the text about Australia on page 43 in the Student's Book. Write a similar description about Slovenia or another country. Include the following information:

- statistics about size and population

- an interesting historical fact
- one or two interesting facts about the country (for example about its diversity or traditions or something that makes it different from other countries)

WRITING 3

Read the text about Australia on page 43 in the Student's Book. Write a similar description about Slovenia or another country. Include the following information:

- statistics about size, population, cities and towns, etc.
- nature and climate
- one or two interesting historical facts
- one or two interesting facts about the country (for example about its diversity or traditions or something that makes it different from other countries)
